

# Greetings from the Arkansas GMRS Repeater Group!

We noticed you have a GMRS license and wanted to take a moment to invite you to check out our Group! As a licensee, you can have access to GMRS repeaters all across Arkansas (where available) and have an additional tool to keep in touch with family and friends. While you're at it, make new ones!

Best of all, we don't charge to use it!

**You can check out our website at *arkradio.net* or find us on Facebook!**
